Dissemination of the project

An information meeting within the project organized in Czestochowa

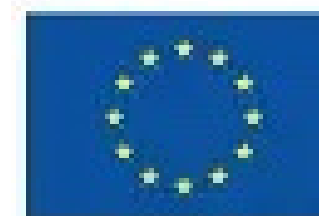

Co-funded by
the European Union

Title: "Entrepreneurship training - Build your way to success"

Duration: 1 day

Aim: The objective of this course was to empower and equip adult learners with practical skills and knowledge to kickstart their journey in entrepreneurship. Participants gained a comprehensive understanding of how entrepreneurship works and learned how to effectively utilize LinkedIn to find employment opportunities and establish valuable connections.
